

# STATE OF NEBRASKA

## Proclamation

WHEREAS,

*The basis for the continuity of any society is education, and in the great state of Nebraska the education of our youth is a priority; and*

WHEREAS,

*In order to achieve its highest goals, education must not only impart knowledge but also teach the students how to live, forming and strengthening their moral character to make a better life for themselves as individuals and for society as a whole, imparting moral and ethical values that have been the bedrock of society since the dawn of civilization, including the values known as the Seven Noahide Laws; and*

WHEREAS,

*A global spiritual leader and leading advocate for the advancement of education, the Rebbe, Rabbi Menachem M. Schneerson, of righteous memory, stressed that a moral and ethical education empowers every individual to develop their full potential in making the world a better place; and*

WHEREAS,

*Such an education can nurture the unity of diverse people through encouraging increased acts of goodness and kindness, imbued with the awareness that even a single positive act of an individual can change the world and usher in an era of global peace; and*

WHEREAS,

*"Education & Sharing Day" is observed each year on the Rebbe's birthday in recognition of his outstanding and lasting contributions toward the improvement of education, morality, and acts of charity around the world; a day to pause and reflect on our responsibility to ensure our youth have the foundation necessary to lead lives rich in purpose and fulfillment through service and good works; and*

WHEREAS,

*April 19, 2024, will mark 122 years since the Rebbe's birth, and this year begins the celebrations of the 75th anniversary of his leadership of the Chabad-Lubavitch movement. Chabad is an acronym of three Hebrew words for wisdom, understanding, and knowledge. The name "Lubavitch" comes from the city, which served as the movement's headquarters for over a century and means city of love. Of all the ethical values that inform our civilization, none is more important than love - love of wisdom, love of our fellow man, and love of our Creator. These values have guided the Chabad-Lubavitch movement throughout its history and are the essence of education at its best, and we should be certain to pass on this precious heritage to all young Americans; and*
